Hello. My name is Frederick; and I want to change my world! I am an accomplished Independent Contractor, with over 24 years work experience, ranging from Major Social Media Corporations to High-risk specialty assignments. I continued my professional studies, while operating at a high level; and I have performed exceptionally well out of country, in austere environments. I aim to maintain a spotless record for safety throughout my career professions and businesses. I am ethical, and I have character.

Currently

Preparing to graduate/earn my professional certificate, from the University of Washington.

Personal Interests

Active Minister and Community Volunteer

I am a licensed minister within my church organization; and I personally help the homeless, and families in need. I try to help others, no matter what their beliefs are. I love winning people.

Musician, Actor, Writer, Comedian

I am a Musician for over 32 years. I have been a Saxophonist for 27 years. Writing was once, my weakest element; and now it is a great strength. I like to act, when given the opportunity. I also love to laugh; and cause others to have a good time.

Mixed Martial Arts and Sports

I have practiced Mixed Martial Arts, played on Rugby, Football, Soccer, and Wrestling teams. I enjoy watching NFL games with a few friends; or even professional colleagues.
